## About GlobalPhone

GlobalPhone Corporation is a company dedicated to providing high quality, innovative services to the international telecommunications market. We build enduring relationships with our partners and customers by providing a creative approach to enabling technology, and by offering outstanding customer service at competitive rates.

GlobalPhone is a facilities-based carrier headquartered in Falls Church, Virginia, a suburb of Washington, DC. Established in 1995, GlobalPhone has seen continuous growth since inception. We have a worldwide customer base of over 300,000 end users who have used GlobalPhone services in over 130 countries, and a network of over 300 business partners around the world. GlobalPhone is a privately held, debt-free corporation.

## GlobalPhone Products And Services

From calling cards to international callback, we combine our telecommunications industry experience and capabilities with a serious commitment to customer satisfaction to bring our customers the best in long-distance and telecommunications products. Our services include:

- **GlobalHome** – Long distance service for home and office
- **GlobalMobile** – No-hassle international long distance from your mobile phone
- **GlobalPostpaid** – The “World’s Best Phone Card” for international long distance
- **GlobalPrepaid** – Virtual prepaid phone card for international long distance
- **GlobalCallback** – International callback anywhere in the world
- **GlobalPass** – International Internet access in over 130 countries
- **GlobalTollfree** – Toll free access numbers in over 80 countries
- **GlobalTerm** – Voice over IP (VOIP) termination for wholesale carriers
- **GlobalTone** – Hosted IP Centrex services for business customers
- **WebCallback** – Voice callback solutions for the web
- **GlobalCorporate** – Corporate partner long distance and calling card solutions
- **GlobalAffinity** – Affinity partner long distance and calling card solutions
- **GlobalAgent** – Referral agent partner program
- **GlobalTelco** – Award-winning wholesale agent program
- **GlobalCarrier** – Wholesale carrier termination services

## GlobalPhone Facilities

As a facilities-based carrier, GlobalPhone takes pride in managing its network and ensuring that our technology is up-to-date and highly reliable. Our services include:

- Redundant TDM and IP-based telephony switches, battery backup and power housed in a company-owned building
- 24 pair fiber capacity (maximum bandwidth in excess of 5,000 T-1s)
- Wholesale carrier agreements and ISDN trunks with all major long distance and local carriers, including MCI, Sprint, AT&T, Cable & Wireless, Teleglobe, Qwest, and Verizon
- Toll-free numbers in more than 80 countries around the world, allowing us to compete with AT&T, MCI and foreign phone card companies
- Extensive least-cost routing to guarantee quality connections at economical rates
- Internet-based provisioning and billing for customers and agents
- Private-label switch partitioning and Internet-based "Virtual Telco" software

**GlobalPhone's mission is to provide best-in-class products and services to meet our customers' individual needs. Call GlobalPhone today to find out more.**
